# CHRONIC BENEFITS

BonClassic offers cover for the **47** chronic conditions listed below, limited to **R14 780** per beneficiary and **R30 550** per family on the applicable formulary. You must get your medicine from a Bonitas Network Pharmacy or Pharmacy Direct, our Designated Service Provider. If you choose not to use a network pharmacy or Pharmacy Direct, or if you choose to use medicine that is not on the formulary, you will have to pay a 30% co-payment. Once the amount above is finished, you will still be covered for the **27** Prescribed Minimum Benefits, listed below.

Pre-authorisation is required.

## PRESCRIBED MINIMUM BENEFITS COVERED

# BENEFIT BOOSTER

**GET UP TO**  
**R2 070**  
**EXTRA BENEFITS**

**TO PAY FOR**  
**OUT-OF-HOSPITAL**  
**CLAIMS**

## WHAT IS THE BENEFIT BOOSTER?

It's an extra out-of-hospital benefit amount in addition to your day-to-day or savings amount, that you get after completing an online wellness questionnaire and/or wellness screening. Once activated, out-of-hospital claims like GP visits, over-the-counter medicine, X-rays and blood tests will then first pay from the available Benefit Booster amount – helping your day-to-day benefit/savings last longer.

## Annual amount available per family

IF YOU ARE ON	YOUR BENEFIT BOOSTER AMOUNT
<b>BonClassic</b>	<b>R2 070</b>

## HOW TO ACTIVATE IT

Complete an online wellness questionnaire (on the Bonitas app) or wellness screening (at a participating pharmacy, biokineticist or Bonitas wellness day).

Ts & Cs apply. Child dependants under the age of 21 years can access the Benefit Booster once an adult beneficiary has completed an online wellness questionnaire on the Bonitas app or a wellness screening at a participating pharmacy, biokineticist or Bonitas wellness day.

(All claims are paid at the Bonitas Rate)

# MOTHER & CHILD CARE

## MATERNITY CARE

# CARE PROGRAMMES

## MENTAL HEALTH

- Available to members who suffer from depression, anxiety, post-traumatic stress disorder and alcohol abuse, limited to R13 850 per beneficiary
- Access to a Care Manager who will work with you, your treating doctor and where appropriate, with other healthcare professionals to assist in improving your condition
- Your Care Manager will help you understand the importance of preventative care and the use of wellness benefits as well as resolve queries related to any other health condition
- Provides educational material on mental health which empowers you to manage your condition
- A digital platform designed to give members easy access to mental health information, community support and expert help
- Primary care support through a GP and assistance to facilitate enrolment on the programme

## CANCER

- Puts you first, offering emotional and medical support
- Liaises with your doctor to ensure your treatment plan is clinically appropriate to meet your needs
- Access to a social worker for you and your loved ones
- Uses the Bonitas Oncology Medicine Network (20% co-payment applies for use of a non-network provider)
- Matches the treatment plan to your benefits to ensure you have the cover you need
- Uses the Bonitas Oncology Network of specialists

## DIABETES MANAGEMENT

- Empowers you to make the right decisions to stay healthy
- Provides cover for the tests required for the management of diabetes as well as other chronic conditions
- Offers access to diabetes doctors, dieticians and podiatrists
- Gives access to a dedicated Health Coach to answer any questions you may have
- Offers a personalised care plan for your specific needs
- Provides education to help you understand your condition better
- Includes two consultations with a Diabetes Nurse Educator to provide specialised diabetes care (NEW)

## BACK AND NECK

- Assessment of back and neck pain to determine the level of care required before surgery to give you the best outcome
- Offers a personalised treatment plan for up to 6 weeks
- Includes treatment from doctors, back and neck physiotherapists and/or biokineticists
- Gives access to a home care plan to maintain long-term results and helps manage severe back and neck pain
- Highly effective and low-risk, with an excellent success rate
- We cover the cost of the programme, excluding X-rays
- Uses the DBC network

# CARE PROGRAMMES

## HOSPITAL-AT-HOME

- Care for any acute condition deemed appropriate by your treating provider i.e., pneumonia, Covid-19
- An alternative to general ward admission and stepdown facilities, allowing you to receive quality, safe healthcare in the comfort of your home
- Remote patient monitoring including 24/7 vital signs monitoring from our clinical command centre, continuous virtual visits and clinical support, continuous care from a doctor, short-term oxygen (as prescribed) and emergency ambulance services
- Our hospital setup at home also includes remote patient monitoring, daily visits, laboratory services, blood tests, wound dressings, medication/fluids via a drip, allied healthcare services and physiotherapy (as prescribed)
- A team of trained healthcare professionals, including skilled nurses, that will bring all the essential elements of hospital care to your home
- A transitional care programme to minimise re-admissions
- Hospital-at-Home is subject to pre-authorisation

NEW

## FEMALE HEALTH

- Accessible to all female members aged 18 and above
- Guidance, support, and education led by women's healthcare experts
- Early detection of diseases and seamless access to specialised care
- Proactive support in accessing essential healthcare services
- Promotion of preventative healthcare strategies tailored to women's needs
- Online health assessments tailored to female health concerns
- Empowerment of women to actively manage their health

## HIV/AIDS

- Provides you with appropriate treatment and tools to live your best life
- Offers HIV-related consultations to visit your doctor to monitor your clinical status
- Offers access to telephonic support from doctors
- Covers medicine to treat HIV (including drugs to prevent mother-to-child transmission and infection after sexual assault or needle-stick injury)
- Covers regular blood tests to monitor disease progression, response to therapy and to detect possible side-effects of treatment
- Offers 1 annual pap smear for members who had a positive cytology test
- Gives ongoing patient support via a team of trained and experienced counsellors
- Treatment and prevention of opportunistic infections such as pneumonia, TB and flu
- Helps in finding a registered counsellor for face-to-face emotional support

# CARE PROGRAMMES

## HIP AND KNEE REPLACEMENT

- Based on the latest international standardised clinical care pathways
- Doctors evaluate and treat your condition before surgery to give you the best outcome
- Uses a multi-disciplinary team, dedicated to assist with successful recovery
- Treatment is covered in full at a Designated Service Provider for joint replacement surgery

## NEW GERIATRIC CARE

- Screening, prevention and wellness benefits for elderly members between 65 and 85 years offered in the comfort of their own homes, paid from Risk
- Provides a wellness screening to reveal your important numbers like blood pressure, blood glucose, cholesterol, BMI etc.
- Offers essential vaccines like the flu and pneumococcal vaccines to stay protected
- Covers age-appropriate screenings to promote early detection to save lives i.e. prostate, breast, and cervical cancer screenings
- Gives a falls risk assessment to identify risks around the house to prevent falls and stay independent
- Includes seamless coordination of care with a nominated GP
- Offers chronic condition registration to improve medicine access and disease management

## NEW WEIGHT MANAGEMENT

- A 12-week, biokineticist-led intervention plan for members with a body mass index higher than 30 or a high waist circumference
- Aims to assist members to lose excess weight and lead healthier, more rewarding lives
- Offers 9 exercise sessions and 3 re-assessment sessions managed by a biokineticist from the Biokinetics Association of South Africa
- Covers a referral to a dietician for a consultation and a follow-up
- Includes a referral to a psychologist for a consultation (where needed)
- Provides ongoing assistance to ensure sustained weight management

## HEARING LOSS MANAGEMENT

- Available to members who are experiencing hearing loss
- Offers members quality treatment and hearing devices
- Uses the latest in audiological technology and the highest standard of clinical expertise
- Tests and consultations are fully covered by using an audiologist on the hearConnect Audiology Network
- No co-payments for prescribed hearing aids should you use an in-network service provider
- Hearing aid benefit will renew every 3 years

# IN-HOSPITAL BENEFITS
