BENEFIT BOOSTER

Get up to **R5 000**** extra benefits to pay for any out-of-hospital claims

The only benefit in the market which gives members access to an additional amount to use for out-of-hospital expenses at no extra cost!

WHAT IS THE BENEFIT BOOSTER?

It's an extra out-of-hospital benefit in addition to your day-to-day benefits or savings, that you get after completing an online wellness questionnaire and/or wellness screening, to use as you choose.

WHAT DOES IT COVER?

Once activated, out-of-hospital claims like GP visits, over-the-counter medicine, X-rays, blood tests and more, will then first pay from the available Benefit Booster amount – making the savings and day-to-day benefits last longer!
