STANDARD
DAY-TO-DAY BENEFITS

The day-to-day benefits provide cover for consultations with your GP and specialist, acute medicine, X-rays, blood tests and other out-of-hospital medical expenses up to the overall day-to-day limit, subject to the relevant sublimit per category. There is a separate benefit for tests and consultations for PMB treatment plans so this will not affect your day-to-day benefits.

BENEFIT BOOSTER

GET UP TO
R5 000
IN EXTRA BENEFITS

TO PAY FOR
OUT-OF-HOSPITAL
CLAIMS

WHAT IS THE BENEFIT BOOSTER?

It's an extra out-of-hospital benefit amount in addition to your day-to-day or savings amount, that you get after completing an online mental health assessment and a wellness screening. Once activated, out-of-hospital claims like GP visits, over-the-counter medicine, X-rays and blood tests will then first pay from the available Benefit Booster amount – helping your day-to-day benefit/savings last longer.

Annual amount available per family

IF YOU ARE ON

Standard
Select**

YOUR BENEFIT
BOOSTER AMOUNT

R5 000

HOW TO ACTIVATE IT

Complete an online mental health assessment *and* a wellness screening (at a Bonitas wellness day or participating pharmacy).

NEW

WE ADVISE YOU TO MAKE USE OF NETWORK PROVIDERS AND MEDICINE ON THE BONITAS FORMULARY TO AVOID CO-PAYMENTS

Ts & Cs apply. Child dependants under the age of 21 years can access the Benefit Booster once an adult beneficiary has completed the online mental health assessment and a wellness screening at a Bonitas wellness day or participating pharmacy. All claims are paid at the Bonitas Rate.

MOTHER & CHILD CARE

STANDARD:

- You must use a Bonitas Network Pharmacy or Pharmacy Direct, our Designated Service Provider, for pharmacy-dispensed contraceptives
- If you choose not to use a network pharmacy or the Designated Service Provider, a 40% co-payment applies

STANDARD SELECT:

- You must use Pharmacy Direct, our Designated Service Provider for pharmacy-dispensed contraceptives
- If you choose not to use the Designated Service Provider, a 40% co-payment applies
- **Injectable contraceptives and administration covered at any Bonitas Network Pharmacy**

CARE PROGRAMMES

MENTAL HEALTH

- Available to members who suffer from depression, anxiety, post-traumatic stress disorder and alcohol abuse, limited to R14 400 per beneficiary
- Access to a Counsellor who will work with you, your treating doctor and where appropriate, with other healthcare professionals to assist in improving your condition
- Your Counsellor will help you understand the importance of preventative care and the use of wellness benefits as well as resolve queries related to any other health condition
- Provides educational material on mental health which empowers you to manage your condition
- A digital platform designed to give members easy access to mental health information, community support and expert help
- Primary care support through a GP and assistance to facilitate enrolment on the programme

CANCER

- Puts you first, offering emotional and medical support
- Liaises with your doctor to ensure your treatment plan is clinically appropriate to meet your needs
- Access to a social worker for you and your loved ones
- Uses the Bonitas Oncology Medicine Network (20% co-payment applies for use of a non-network provider)
- Matches the treatment plan to your benefits to ensure you have the cover you need
- Uses the Bonitas Oncology Network of specialists

DIABETES MANAGEMENT

- Empowers you to make the right decisions to stay healthy
- Provides cover for the tests required for the management of diabetes as well as other chronic conditions
- Offers access to diabetes doctors, dieticians and podiatrists
- Gives access to a dedicated Care Manager to answer any questions you may have
- Offers a personalised care plan for your specific needs
- Provides education to help you understand your condition better
- Includes two consultations with a Diabetes Nurse Educator to provide specialised diabetes care

BACK AND NECK

- Assessment of back and neck pain to determine the level of care required before surgery to give you the best outcome
- Offers a personalised treatment plan for up to 6 weeks
- Includes treatment from doctors, back and neck physiotherapists and/or biokineticists
- Gives access to a home care plan to maintain long-term results and helps manage severe back and neck pain
- Highly effective and low-risk, with an excellent success rate
- We cover the cost of the programme, excluding X-rays
- Uses the DBC network
- **Programme will cover shoulder and knee pain as well**

NEW

CARE PROGRAMMES

HOSPITAL-AT-HOME

- Care for any acute medical condition deemed appropriate by your treating doctor in collaboration with the hospital-at-home care team i.e., pneumonia, Covid-19, cellulitis, acute heart failure
- An alternative to general ward admission, allowing you to receive quality, safe healthcare in the comfort of your home
- A possible alternative to a step-down facility (depending on your condition and treatment needs), allowing for multidisciplinary services from the doctors, nurses and allied health professionals, such as physiotherapists
- All the essential elements of hospital-level care: remote patient monitoring (including 24/7 vital sign monitoring from our clinical command centre), daily virtual visits and clinical support from our team of doctors and nurses, provision of medical equipment such as oxygen when needed, intravenous therapy, and emergency ambulance services, when needed
- The in-person clinical visits also provide support for blood tests and medication administration as prescribed
- A transitional care programme to minimise unplanned hospital re-admission
- Hospital-at-home is subject to pre-authorisation

FEMALE HEALTH

- Accessible to all female members aged 18 and above
- Guidance, support, and education led by women's healthcare experts
- Early detection of diseases and seamless access to specialised care
- Proactive support in accessing essential healthcare services
- Promotion of preventative healthcare strategies tailored to women's needs
- Online health assessments tailored to female health concerns
- Empowerment of women to actively manage their health

HIV/AIDS

- Provides you with appropriate treatment and tools to live your best life
- Offers HIV-related consultations to visit your doctor to monitor your clinical status
- Offers access to telephonic support from doctors
- Covers medicine to treat HIV (including drugs to prevent mother-to-child transmission and infection after sexual assault or needle-stick injury)
- Covers regular blood tests to monitor disease progression, response to therapy and to detect possible side-effects of treatment
- Offers 1 annual pap smear for HIV+ women between ages 21-65, registered on the programme
- Covers 1 basic cytology test per annum or the HPV PCR once every 5 years
- Gives ongoing patient support via a team of trained and experienced counsellors
- Treatment and prevention of opportunistic infections such as pneumonia, TB and flu
- Helps in finding a registered counsellor for face-to-face emotional support

CARE PROGRAMMES

HIP AND KNEE REPLACEMENT

- Based on the latest international standardised clinical care pathways
- Doctors evaluate and treat your condition before surgery to give you the best outcome
- Uses a multi-disciplinary team, dedicated to assist with successful recovery
- Treatment is covered in full at a Designated Service Provider for joint replacement surgery

WEIGHT MANAGEMENT

- A 12-week, biokineticist-led intervention plan for members with a body mass index higher than 30 or a high waist circumference
- Aims to assist members to lose excess weight and lead healthier, more rewarding lives
- Offers 9 exercise sessions and 3 re-assessment sessions managed by a biokineticist from the Biokinetics Association of South Africa
- Covers a referral to a dietician for a consultation and a follow-up
- Includes a referral to a psychologist for a consultation (where needed)
- Provides ongoing assistance to ensure sustained weight management

HEARING LOSS MANAGEMENT

- Available to members who are experiencing hearing loss
- Offers members quality treatment and hearing devices
- Uses the latest in audiological technology and the highest standard of clinical expertise
- Tests and consultations are fully covered by using an audiologist on the hearConnect Audiology Network
- No co-payments for prescribed hearing aids should you use an in-network service provider
- Hearing aid benefit will renew every 3 years

IN-HOSPITAL BENEFITS

This benefit offers cover for major medical events that result in a beneficiary being admitted to hospital. Members have access to cover at a private hospital. Pre-authorisation is required. A co-payment may apply to specific admissions and/or procedures. Managed Care protocols apply.

Please note: On the Standard Select option you can avoid a 30% co-payment by using a hospital on the applicable network.
