4. Premium penalties for persons joining late in life

4.1 The Fund may apply premium penalties to a late joiner and such penalties must be applied only to the portion of the contribution related to the member or any adult dependant who qualifies for late joiner penalties.

Late joiner penalties are only applicable to members and adult dependants who are 36 years and older.

4.2 The premium penalties referred to in paragraph 4.1 shall not exceed the following bands:

Penalty bands	Maximum Penalty
1 - 4 years	0.05 x contribution
5 - 14 years	0.25 x contribution
15 - 24 years	0.50 x contribution
25 + years	0.75 x contribution

4.3 To determine the applicable penalty band to be applied to a late joiner in terms of the first column of the table in paragraph 5.2 the following formula shall be applied:

A = B minus (35+C) where

“A” means the number of years referred to in the first column of the table in paragraph 4.2 for purposes of determining the appropriate penalty band;

“B” means the age of the late joiner at the time of his or her application for membership or admission as a dependant; and

“C” means the number of years of creditable coverage which can be demonstrated by the late joiner.

4.4 Where an applicant or his or her dependant produces evidence of creditable coverage after a late joiner penalty has been imposed, the Fund shall recalculate the penalty and apply such revised penalty from the time such evidence is provided.

4.5 Late joiner penalties may continue to be applied upon transfer of the member or adult dependant to other medical funds.
