ONLINE PLATFORM

Login to the platform

- Go to <https://bonitas.vagm.africa/> and click on the **Continue** button.
- Insert your Bonitas Membership Number or SA ID Number and click on the **Login** button.
- If you enter incorrect credentials, the platform will display a warning that the credentials do not match our records. After two more failed login attempts, your account will be temporarily locked for **five minutes**.
- Once a valid Bonitas Membership Number or SA ID Number is entered, the platform will send a One Time Pin (“OTP”) to your registered email address and/or mobile number.

The screenshot shows the login interface for the Bonitas Medical Aid for South Africa Annual General Meeting 2026. At the top is the Bonitas logo in red script, followed by the text 'Medical Aid for South Africa' and 'Annual General Meeting 2026'. Below this is a light gray box containing instructions: 'Enter your **Bonitas Membership Number** or **SA ID Number** as your username to access the Platform. After submitting your details and clicking **Login** an **OTP** will be sent to your registered email and / or mobile number.' Below the instructions is another light gray box with contact information: 'For login issues, email **za_bonitasagm2026@pwc.com** or call **011 287 0974**, Monday to Friday, 08h00 to 16h30 (excluding weekends and public holidays).' A red banner with the text 'Please enter your details to login' is positioned above the login form. The form itself has a 'Username' label next to a text input field. Below the input field, it says 'A pin will be sent to you after login via email or SMS.' At the bottom of the form is a dark gray button with a right arrow icon and the text 'Login'.

Username

A pin will be sent to you after login via email or SMS.

➔ Login

One Time Pin validation

- The platform will display a prompt for you to enter the OTP sent to the email and/or mobile number registered with Bonitas.
- Insert the OTP that you receive and then click on the **Continue** button.
- If you enter an incorrect OTP, the platform will display a warning that the code does not match the one sent to you.
- OTP delivery to your mobile device is usually quick, but delays may occur due to mobile network issues beyond our control. For this reason, the OTP is also sent to your email address. Note that each new OTP sent will override and cancel the previous one if you attempt to log in before receiving it. Please check that the OTP email is not blocked by your mail server or sent to your junk folder instead of your inbox.

The screenshot shows the Bonitas Medical Aid for South Africa login interface. At the top is the Bonitas logo in red script, with 'Medical Aid for South Africa' in a smaller, black sans-serif font below it. The main heading is '2 Factor Authentication' in a large, black sans-serif font. Below this, a message states: 'A one-time-pin has been emailed and/or SMSed to you, please check.' There is a text input field with the placeholder text 'OTP Number (eg. 123456)' and a vertical cursor. Below the input field is a large red button with the word 'Continue' in white. At the bottom, there is a link that reads 'Did not get OTP? Resend now' in red text, with a mouse cursor hovering over it.
